Monthly Budget Worksheet: Variable Income

Plan from a lower recent month. Decide where extra income goes in a higher month.

Month: _____

Month	Take-home amount
Recent month 1	
Recent month 2	
Recent month 3	
Average	
Lowest	
Baseline planning income	

Category	Amount	Baseline or extra	Notes
Essential expenses			
Taxes / business reserve			

Planned vs. actual

Actual vs. planned: _____ In a higher month, extra goes to 1. _____ 2. _____ 3. _____
